

First Announcement

4th Meeting of the European Hereditary Tumour Group (EHTG) Barcelona, Spain

Thursday 17 - Saturday 19 October 2019 / Meliá Sarrià Hotel

Key Dates

Registration opens
March 2019

Early registration deadline
28 June 2019

Abstract submission deadline
Friday 31 May

Key topics include

- Cost/efficacy considerations on health care guidelines regarding gynecological cancer in Lynch syndrome
- Path_MSH6 carriers: identification and clinical implications
- Polygenic Risk scores
- How to assess cost/efficacy of alternative models for preventing/curing CRC
- Panel testing for inherited cancer genes: which genes when?
- Moving MMR functional assays to clinical diagnostics and ODMS assay
- CIMRA assay and combining assay results with in silico analysis to reach high predictive power for MMR variants

EHTG / Barcelona, Spain

We look forward to welcoming you to Barcelona and the wonderful Meliá Sarrià Hotel.

Conveniently located only 20 minutes from the airport and on the Avinguda Diagonal – the main road that dissects the city. EHTG delegates will enjoy the meeting in a relaxed and modern venue with sweeping views of the Barcelona.

Developments in EHTG...

- Cost and efficacy considerations in CRC is a recurring conversation point – we'll have some of the biggest names join us for a keynote lecture to discuss
- We're looking forward to some state-of-the-art lectures on the use of aspirin
- We can't wait to host some of the best hereditary cancer research from around the globe – be sure to check out the poster area during EHTG 2019!
