

Invitation to Sponsors

4th Meeting of the European Hereditary Tumour Group (EHTG) Barcelona, Spain

Thursday 17 - Saturday 19 October 2019
Meliá Sarrià Hotel

Key topics include

- Cost/efficacy considerations on health care guidelines regarding gynecological cancer in Lynch syndrome
- Path_MSH6 carriers: identification and clinical implications
- Polygenic Risk scores
- How to assess cost/efficacy of alternative models for preventing/curing CRC
- Panel testing for inherited cancer genes: which genes when?
- Moving MMR functional assays to clinical diagnostics and ODMS assay
- CIMRA assay and combining assay results with in silico analysis to reach high predictive power for MMR variants

Key Sponsorship Packages

Principal Sponsor Packages

The following packages are carefully compiled in order to achieve maximum exposure in advance and during the event in Barcelona. There will be regular contact to the entire EHTG database in the months leading up to the meeting, which presents a fabulous opportunity for you to reach not only those who register, but many other contacts too!
