EHTG / Barcelona, Spain

Welcome...

We look forward to welcoming you to Barcelona and the wonderful Melià Sarrià Hotel.

Conveniently located only 20 minutes from the airport and on the Avinguda Diagonal – the main road that dissects the city. EHTG delegates will enjoy the meeting in a relaxed and modern venue with sweeping views of the Barcelona.

Developments in EHTG...

- Cost and efficacy considerations in CRC and EC and other cancers is a recurring conversation point – we'll have some of the biggest names, so join us in these pivotal discussions
- We're looking forward to some State-of-the-Art lectures on the hottest topics including systematic testing, guidance for different hereditary gastrointestinal syndromes, and chemoprevention and specifically use of aspirin
- Be sure to join us in Working Groups, find out about collaborative opportunities and enjoy the State-of-the-Art lectures in the plenary session on Thursday and Saturday. We can't wait to host some of the best hereditary cancer research from around the globe during EHTG 2019!
