and accommodation
deadline -
26 July

5th Meeting of the European Hereditary Tumour Group (EHTG)

Saturday 19 - Monday 21 September,
Vilnius, Lithuania

1 Welcome

Following on from our busiest meeting ever in Barcelona 2019; we can't wait to welcome you all to the beautiful city of Vilnius for 2020! Our Society has continued to grow throughout 2019, and we look forward to continuing this momentum into 2020 and meeting with even more global colleagues as we discuss the newest developments for the prevention, diagnosis and treatment of hereditary tumour syndromes in our unique working group format. Join the open discussions between world-leading researchers and thought leaders and get involved in developing joint research projects and collaborations.

We're looking forward to Vilnius!
